STATEMENT OF SUBSTANCE OF INTERVIEW

Mailstop Amendment
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is submitted in response to the Interview Summary that was mailed on September 16, 2005 in the above-referenced matter. Applicants agree with the content of the Interview Summary, specifically, that the finality of the Office Action mailed on July 27, 2005 would be withdrawn and a new non-final Office Action would be issued.

The interview took place on September 9, 2005 between the Examiner, named inventor, Michael Borella and Applicants' representative, Paul Churilla. In the interview, the merits of the rejections of claims 1-26 on U.S. Patent 6,493,328 to Fong et al. (hereafter "Fong") were discussed. In the interview, the Examiner agreed that Applicants' arguments were persuasive and indicated that the finality of the July 27, 2005 Office Action would be withdrawn and that a new, non-final Office Action would be issued in this matter.

Applicants respectfully thank the Examiner for his time in granting the Interview and his time in further consideration of the application. If the Examiner has any questions or concerns

regarding this communication or any minor issues that may be resolved by phone, he may contact the undersigned at 360.379.6514.

Respectfully Submitted,

McDonnell Boehnen Hulbert & Berghoff LLP
